Subject Levy of octroi duty on certain articles in Tumkur Town Municipality

---

Sir,

In forwarding herewith the correspondence ending with letter No C 45/49-50 dated 31-5-50, from the President, Town Municipal Council, Tumkur on the above subject I have the honour to state that Government in their Order No MU 108 MIC-49/Part 82-49-50 dated 23-3-1949 have accorded sanction to the levy of octroi on the following among other articles at the rates noted against each

| | | |
|---|---|---|
| 1 | Teakwood per ton of 50 Cft | 4/- |
| 2 | Purple wood per ton of 50 Cft | 2/- |
| 3 | Soaps ( all kinds) | 0/0/3 per rupee |
| 4 | Medicines ( foreign made) | 0/0/3 " |

As some difficulties were experienced in collecting the octroi on the above articles the Municipal Council at their meeting held on 14-10-1949 have resolved to treat medicines imported from outside Mysore as foreign medicines and to treat the medicines prepared in Mysore as country medicines, to levy octroi on caustic soda silicate soda and rozen imported for the manufacture of soaps at 0-0-3 per rupee advalorem as soaps prepared in Tumkur town are not being taxed and also to collect octroi on wood at the rates noted below -

| | | |
|---|---|---|
| 1 | Teakwood and Honne per cft (Dimmi) | 0-1-3 |
| 2 | -do- cut pieces per cft | 0-1-6 |
| 3 | Blackwood - Dimmi | 0-1-0 per cft |
| 4 | -do- cut pieces | 0-1-3 |
| 5 | Other wood - Dimmi | 0-0-9 " |
| 6 | -do- cut piece | 0-1-0 " |

The records received from the President were returned to call for objections xxi regarding the proposal of the Council and to retransmit the same with the resolution of the Municipal Council Accordingly the President has called for objections on 22-4-50 and it is stated that only one objection petition was received against the levy of octroi on the articles imported for the manufacture of soaps The Municipal Council after considering the objection petition, have at their meeting held on 26-5-1950 resolved that octroi may be levied on all the articles except caustic soda silicate soda and rozen The President requests to obtain sanction of Government to the proposal of the Council

I therefore request that sanction of Government may kindly be accorded to levy octroi on food and medicines at the rates proposed by the Council in their meeting held on 14-10-1949

With reference to your D O letter No I 7838 dated 6 11 50, calling for a report re the levy of Octroi on certain articles in Tiptur Town Municpality and in continuation of this office letter dated 13 11 1950 in the matter, I have the honour to forwerd herewith a copy of letter No H C 45/49-50, dated 15 11 5 received from the President, Town Municipal Council, Tiptur, explaining that the Change in rates now proposed is not inpractice in any of the Municipality in this District, but one in force in Shimoga Town Municipality He has also brought to notice that wood is being inported in different forms viz cut pieces and dimmies As reported by the President, cut pieces are more costly than dimmies and if, as suggested by the President, higher rates of Octroi duty is levied, it would augment the resources of the Municipality

The President, has therefore sought the sanction of Government to the enhanced rates of Octori on different kinds of wood I request therefore that sanction of Government may kindly be obtained to the proposal of the Municipal Council
